The Disabled Students Programs & Services (DSPS) office at Bakersfield College provides academic accommodation to eligible students. They are located in the Student Services Building – Counseling Office. Or you can reach them at (661) 395-4334.

Please remember you have to be in 12 units to be eligible for EOP&S. The only exceptions we have is if you are part of the Disabled Students Programs & Services (DSP&S), for which we would need a DSP&S Reduced Load form from our office.

EOP&S is a voluntary program that you are opting to participate in. You may terminate your participation at any point, if you do not wish to complete the program requirements.
