We realize that there are many reasons that students fall behind in their work, drop classes and perform lower than the required minimum cumulative grade point average of 2.0. Advisors, counselors and other support staff will work with students experiencing difficulty. If you fall into academic difficulty and are placed on academic or progress probation or dismissal, counselors can help you create a personalized student success plan to get you back on track. If you are

on probation, a hold will be placed on your registration and you will be required to take an online probation workshop.

The Bakersfield College Athletics program started in 1922 and is known for its quality, its success and the sportsmanship of its students. Over the years former Renegade student athletes, coaches and staff have returned to support the Bakersfield College Athletics program. Community support also plays an important role and is demonstrated by attendance at sporting events and by contributions from the community. This sense of Renegade pride and loyalty contribute to the strong foundation of today's athletic program.

Bakersfield College has over 400 Renegade student athletes annually. There are nine women's sports which include basketball, cross country, golf, soccer, softball, swimming, tennis, track and field and volleyball. There are also nine men's sports which include baseball, basketball, cross country, football, golf, swimming, tennis, track and field and wrestling. Collectively these programs have accumulated 168 Conference Championships, 13 State Championships, and 10 National Championships.

Bakersfield College is a member of the Western State Conference and is governed by the California Community College Athletic Association. Bakersfield College student athletes are supported by a dedicated coaching staff, certified trainers, equipment personnel, and an athletic educational advisor. Every effort is made to ensure compliance with the regulations of the Western State Conference, the CCCAA and the NCAA transfer rules.

Renegade student athletes are privileged to compete on the grounds of one of the premier community colleges in the nation. Memorial Stadium is arguably the most recognizable and note-worthy venue in all of community college sports. This iconic and historic facility is home to the Renegade football team, as well as the track and field teams. National championship teams and world records are the hallmarks of Memorial Stadium.

The Dean and Adah Gay Sports Complex is home to the softball field and Gerry Collins Baseball field. CCCAA Softball State Championships has made this facility their home since May 2010. In May 2012, both softball and baseball championships were held at the complex. The volleyball, wrestling and basketball teams all compete in the Gil Bishop Sports Center,

The philosophy of the Bakersfield College Athletics Program mirrors a code of conduct that exemplifies hard work, commitment and accountability—to act like a winner on and off the fields and courts of play.
