Strengths

- DE Approval Process
- Canvas
- “Regular, Effective Contact”
- **SUPPORT SERVICES**

Standard IIC

Student Support Services

Presented by:

Grace Commiso

Sandi Taylor

Jonathan Schultz

How do our student support services support distance learning?

- 1: evaluate the quality of services, regardless of location, to support student learning and the mission of the institution
- 2: identify and assess learning support outcomes, and provide appropriate services to achieve our outcomes

Strengths

Overall we have worked well together, and feel confident about the process and outcomes. We haven't found any "gaps" that are going to be a stumbling block in the accreditation process.

How do our student services enhance the mission of the college and aid in student success and completion?

3: institution assures equitable access to all of its students by providing appropriate, comprehensive, and reliable services to students regardless of service location or delivery method

4: co-curricular and athletic programs tie to mission of college and support social, cultural and educational experience of students

Additional Sub-Sections

6: institution has adopted and adheres to admission policies consistent with its mission defining and advising students on clear pathways to complete degrees, certificate and transfer goals

7: institution regularly evaluates admission and placement instruments validating effectiveness while minimizing biases

8: institution maintains student records permanently, securely, and confidentially publishing and following established policies for release of student records

How do student support services help in the extend the classroom initiative?

2: identify and assess learning support outcomes, and provide appropriate services to achieve our outcomes

5: counseling/advising support student development, orient to ensure they understand programs and prepare personal responsible

Tutoring

Writing Center

II.B – Library and Learning Support Services

1. Services are sufficient in quality, currency, depth and variety to support educational programs.
2. Select and maintain educational equipment and materials, relying on expertise of staff.
3. Evaluate services to assure adequacy in contributing to SLOs. Used for improvement.
4. Formal agreements with collaborators or vendors exist. Evaluate these services.
