Achieving the Dream - KCCD Data Summit  
Hosted by Bakersfield College  
April 3, 2014  

Theme: Achieving the Dream—Fostering Equity and Excellence
Achieving the Dream colleges commit to eliminating achievement gaps among student groups, including students of color and low income students while improving outcomes for all students. When an achievement gap exists, institutions engage faculty, staff, and administration in developing and implementing strategic changes that ensure pedagogy and services are tailored to students’ unique needs. Colleges establish an educational environment where all students have the best opportunities to succeed. A commitment to equity ensures that institutions focus on achieving high rates of success and completion for all students, especially those who have traditionally faced the most significant barriers to achievement.

Attendee Learning Outcomes:
- Participants will understand the differences in definition and application between ‘Equity’ and ‘Equality’
