OUR MISSION

Bakersfield College provides opportunities for students from diverse economic, cultural, and educational backgrounds to attain Associate and Baccalaureate degrees and certificates, workplace skills, and preparation for transfer. Our rigorous and supportive learning environment fosters students’ abilities to think critically, communicate effectively, and demonstrate competencies and skills in order to engage productively in their communities and the world.

OUR VISION

Building upon more than 100 years of excellence, Bakersfield College continues to contribute to the intellectual, cultural, and economic vitality of the communities it serves.

OUR CORE VALUES

Learning
We foster curiosity, inquiry, critical thinking, and creativity within a safe and rigorous academic environment so that we might be empowered to radically transform our community into one that gives voice and power to all people.

Integrity
We continue to develop and follow an ethical and moral consciousness which places the collective wellbeing and health above the self; this principled environment allows for open, constructive conversations and teaches us to trust each other’s vision so that we will be useful and effective in providing support, resources, and encouragement.

Wellness
We believe health and wellness to be integral and foundational elements, and we understand that a holistic education improves all aspects of the individual and the society including the mind, body, and spirit; through education, we will positively impact the health of the natural environment and the global community.

Diversity
We insist that diversity be valued and promoted, recognizing that multiple perspectives lead to a better education and knowledge of the world; listening and witnessing different experiences helps us to understand and contextualize power and privilege related to gender, race, class, religion, disability, and sexuality in terms of access and barriers to resources and opportunities.

Community
We commit to the wellbeing of all members of our community; we maintain strong ties with the surrounding community, and we respond to their needs by serving as an open institution which engages all students, faculty, and staff; in our college, we have built and continue to build an environment in which all members participate as a community through democratic engagement.

Sustainability
We recognize our responsibility for continuing and maintaining this institution which has been shaped by over 100 years of resolute and tenacious labor and judicious foresight, so we unceasingly place our energies into imagining how we might sustain and renew our fiscal, human, and environmental resources into the future.

The College will take prompt action to eliminate the sexual discrimination or misconduct, address its effects, educate the population, and aim to prevent its recurrence.

All college employees, with limited exceptions for those with “legal privilege”, have a duty to report crimes to the Title IX Coordinator. Any person is encouraged to report crimes to law enforcement as well. Any person may also file a report with the Department Human Resources for the purpose of a grievance.
Early Registration Appointments
Continuing students who were registered on Monday of the third week of classes are assigned early registration appointments for the following semester in the following order:

- Students who belong to specific group of special programs and who have completed matriculation.
- Students who have completed orientation, assessment, and counseling and have a student educational plan on file in descending order of the number of units completed, except that students who have completed 45 to 68 will be first.

Registering by Web
All early and open registration takes place in Bakersfield College’s web registration system. Detailed instructions for the use of this system can be found on the Bakersfield College website at www.bakersfieldcollege.edu under class schedule. Students must be officially registered or on the official waitlist before attending classes. Registration dates are indicated in the “About the College” section of the catalog and on the website.

Waitlist
The electronic waitlist feature replaces instructor-signed add slips and allows students from an established waitlist to be moved into a class when seats are available. It is a true first-come, first-serve system. Students trying to register for classes that are closed will be able to select waitlist. During the weeks prior to the start of classes, when vacancies occur in classes, first student(s) on the waitlist will be moved into the class. Students who are on a waitlist should check their registration regularly on the web. They will have ten (10) days to pay for the class once they have moved into registered students. Students will be charged the enrollment fees for waitlist classes until they are actually enrolled in the class. Students should use the waitlist to ensure themselves a chance of getting into the classes they want.

Students on waitlist still must attend the first meeting of the class or they may be dropped for the waitlist. The prerequisites, basic skills, time conflict and repeat checks will prevent ineligible students from moving into the classes. Students may drop themselves from the waitlist at any time. If a new section of a class is opened at the same day and time as a section with a waitlist, students on the waitlist will be automatically enrolled into the new section.

RENEGADE ATHLETIC PROGRAMS
www.gogades.com
Gym | (661) 395-4266
The Bakersfield College Athletics Program started in 1922 and is known for its quality, its success and the sportsmanship of its students. Over the years former Renegade student athletes, coaches, and staff have returned to support the Athletic Program. Community support also plays an important role and is demonstrated by attendance at contests and by contributions from the community. This sense of Renegade pride and loyalty contribute to the strong foundation of today’s Athletic Program. Today’s student athletes might preform in a new sports complex for softball and baseball or in one of the premier, community college stadiums for football, track and soccer. Both of these facilities are the result of community and college support. The Bakersfield College Athletic Department dedicates itself to providing a comprehensive and preeminent community college environment where teaching, student learning and public service are of the highest quality. The Athletic Department strives to provide equitable opportunities for all student-athletes and staff, regardless of gender, ethnic background or sexual orientation. The Renegade Athletic Programs are the foundation of enthusiasm and loyalty; they invigorate and enrich the life of our academic community; they engage our graduates with the College long after they leave our campus; they serve as a common rallying point for the community of Bakersfield; and they reinforce the College’s commitment to diversity and community.

Bakersfield College is a member of the Western State Conference, Southern California Football Association, Southern California Wrestling Alliance, and is governed by the California Community College Athletics Association. Student athletes are supported in the Athletics Program by the dedicated coaching staff, certified athletic trainers, equipment personnel, and the athletic educational advisor. Every effort is made to ensure compliance with the rules and regulations of the Conferences and the California Community College Athletics Association. Bakersfield College has over 400 Renegade student athletes annually. There are ten women’s sports which include basketball, cross country, golf, soccer, softball, swimming, tennis, track and field, volleyball and sand volleyball. The nine men’s sports include baseball, basketball, cross country, football, golf, soccer, tennis, track and field, and wrestling.
The Office of Equity and Inclusion supports Bakersfield College’s mission to open more educational pathways for students from diverse economic, cultural, and educational backgrounds to attain degrees and certificates, workplace skills and preparation for transfer. We work together with dozens of existing Bakersfield College campus programs, departments, and services to create opportunities that maximize your ability to succeed at BC. When you contact our office, we strive for one goal: to help you reach your full potential. And we care about your goal of student success and that’s not just because we’re committed to excellence.

We care about you as a student; we care about your success and we want to create your best possible experience here at Bakersfield College. But fulfilling your dreams definitely doesn’t happen without YOU. We value YOUR voice and we want to hear from YOU about your PURPOSE and PASSION.

Because success comes from making informed decisions about your educational goals, now and in the future, stop by the Office of Equity and Inclusion in A17 and let us be the spirited cheerleader, tireless advocate and trusted advisor on your own personal academic journey.

We’re committed to improving campus climate by promoting diversity and increasing awareness, understanding and respect for the many cultures and educational opportunities that make up the Bakersfield College experience of every Renegade.

ACADEMIC INTEGRITY AND PLAGIARISM

www.bakersfieldcollege.edu/campus/student-conduct
studentlife@bakersfieldcollege.edu
Campus Center, Room 4 | (661) 395-4614

Bakersfield College has the responsibility to ensure that grades assigned are indicative of the knowledge and skill level of each student. Acts of academic dishonesty make it impossible to fulfill this responsibility, and they weaken our society. Faculty, students, administrators, and classified staff share responsibility for ensuring academic honesty in our college community and will make a concerted effort to fulfill the following responsibilities.

Any test, paper, or assignment submitted and that bears Bakersfield College students’ name is presumed to be the own original work that has not previously been submitted for credit in another course unless you obtain prior written approval to do so from the instructor.

In all of the assignments, including homework or drafts of papers, students may use words or ideas written by other individuals in publications, web sites, or other sources, but only with proper citation. As a general rule, if citing from a published source or from a web site and the quotation is short (up to a sentence or two) place it in quotation marks; if a longer passage from a publication or web site, please indent it and use single spacing. In both cases, be sure to cite the original source in a footnote or in parentheses. If a student is not clear about the expectations for completing an assignment or taking a test or examination, be sure to seek clarification from the instructor beforehand.

Finally, students should keep in mind that as a member of the Bakersfield College campus academic community, students are expected to demonstrate integrity in all of your academic endeavors and will be evaluated on their own merits. Students should be proud of their academic accomplishments and help to protect and promote academic integrity at Bakersfield College. The consequences of cheating and academic dishonesty – including a formal written warning, possible loss of grade – are simply not worth it.
STUDENT CODE OF CONDUCT
www.bakersfieldcollege.edu/campus/student-conduct
studentlife@bakersfieldcollege.edu
Campus Center, Room 4 | (661) 395-4614

Student Conduct (Revised December 13, 2001)—Since public education is furnished by the people, it is a
privilege. The Board of Trustees of the Kern Community College District, in support of public education and
the exercise of general supervision of the campuses, requires that student conduct must reflect the standards of
appropriate behavior as defined in pursuant sections. (Education Code Section 76037).

4F8A Students shall respect constituted authority. This shall include conformance to Federal and State laws,
Board regulations, College regulations, and applicable provisions of civil law.

4F8B The District expects students to conduct themselves in a manner consistent with the educational purposes
of the College. Student conduct should reflect consideration for the rights of others, and students are expected
to cooperate with all members of the College community. (For specific guidelines regarding conduct, see Policy
4F8D of this Manual.)

4F8C College personnel are responsible for communicating appropriate student conduct and for reporting any
violations thereof, and the College President or designee shall have the right to administer suitable and proper
corrective measures for misconduct.

4F8D The Board of Trustees, the College President or designee may suspend a student for good cause or when
the presence of the student causes a continuing danger to the physical safety of the student or others. The Board
of Trustees may exclude from attendance in regular classes any student whose physical or mental disability is
such as to cause his or her attendance to be inimical to the welfare of other students. (Education Code Sections
76020 and 76030)

As used in this section, good cause includes, but is not limited to, the following offenses that may result in the

the request of a College official acting in the performance of his/her duties.
20. Gambling.

22. Abuse of computer resources. (See Policy 3E of this Manual regarding Information Technology policies)
23. Abuse of or disruption to the student conduct and/or complaint process, including but not limited to:
