Habits of Mind: Assessment of Implementation Strategies

What were your departmental goals for Habits of Mind? Did you achieve your goal(s)?

Did you make a plan? What steps did it entail? Did you follow those steps? List the ones you achieved to the right.

Did this plan help you achieve your goal? What obstacles did you foresee, and did you overcome them? Do you think this increased implementation of Habits of Mind? If you encountered faculty resistance, how can we help overcome this or better tailor tools to your area?

How did you share ideas about improving the impact of Habits of Mind on our students? Did we follow through with those ideas?

List 4 aspects you’ll change about your plan in order to improve implementation.

Share this process with your faculty, so they can see how we adjust our approach to improve our outcomes.

Students must know we care about and believe in them enough to have high expectations of them, but we must also provide them the tools they need to achieve those expectations.
