Summer and Fall 2015 Enrollment Update – Three Weeks Before the Start of Summer School
For now, email updates will focus on the summer session. However, in the attached Enrollment Update report, both summer and fall are reported.
Summer school started a week earlier at Cerro Coso last year, making this year’s registration period one week longer. Due to this, the Summer 2014 information for Cerro Coso ONLY is the same information as reported last week in this email and in the Enrollment Update report.
