Fall 2014 Hybrid Classes in the MATH LAB in the Learning Center (SS-140)

Classes are taught using a combination of the online ALEKS program and in-person instructors. Students are required to come to the Bakersfield College campus for an Orientation and monthly Proctored Assessments. Students are required to work on the ALEKS program a minimum of 8 hours per week, and this can be done anywhere the student has Internet access. Students are encouraged, but *not* required to do weekly work in the Math Lab in the Learning Center, SS 140.

Interested students may go to <www.aleks.com> for a free 24-hour trial of the program. Please come into the Math Lab (SS 140) or call us at (661) 395-4530 during open hours if you have additional questions about the course. There are also frequently asked questions at our website, <www2.bakersfieldcollege.edu/mlc>. There is a link from the BC homepage, go to <www.bakersfieldcollege.edu/mlc>.

REQUIRED ORIENTATION SESSION: Students who have not taken a hybrid math course before, including those on the waitlist and those who would like to be on the waitlist, must attend an Orientation. Orientation will last 90 minutes, and they begin on time.

Thursday August 21, 10:30 a.m. OR 4:00 p.m. in Forum 101

OR Tuesday, August 26, 2:30 p.m. OR 6:00 p.m. in Forum 101

Returning students and those who are not able to attend one of these large-group Orientations may come to the Math Lab in the Learning Center (SS-140) during the first three days of the semester to complete this requirement. Students with Incomplete grades have separate orientation days and times.

OTHER QUESTIONS CONCERNING THE CLASS WILL BE ANSWERED AT THE ORIENTATION.
