Getting Familiar with the Data: State Chancellor’s Office

Patrick Perry, Vice Chancellor of Technology, Research & Information Systems
Data and Reporting

• Primary Data Collections
  – Your local ERP system
  – Chancellor’s Office MIS (COMIS)
  – CO Curriculum Inventory
  – CO 311 Fiscal Collection
Your Local ERP System

- Student data from CCCApply, sent to local system
- Students, courses/sections/sessions, faculty assignment, student services, financials, HR, payroll
- Enrollment Management
CO MIS Data Collection

• Districts submit data 3x/yr and once annually
• Data checked for errors
  – Syntactical
  – Referential
• Loaded into MIS master (1992-present)
  – Allocations, apportionment, accountability
  – We “value add” to this data and provide it back
  – Local data more timely
