Bakersfield College Food and Nutrition Program Philosophy

The Bakersfield College Food and Nutrition Program offers a program of study that integrates theoretical and practical course work which prepares the student for the Food Service workforce. Completion of the appropriate courses can lead to an Associate Degree and/or a Certificate in Culinary Arts, Food Management, Child Nutrition Management and Dietetic Services.

Students who participate in these courses gain an understanding of nutrition, production techniques and management procedures. The program emphasizes a hands-on curriculum which is utilized in the Food and Nutrition Program's student operated restaurant, The Renegade Room. Basic techniques are a prerequisite to a successful career in the Food Service Industry.

Lunch Prices range from \$ 8.00 - \$12.95 plus tax.

Dinner and Buffet prices are \$12.95 plus tax. This price includes dessert. Beverages are extra

Purchasing a one-day parking pass is always a good idea (Kiosks are in the parking lot)

Cash or personal checks accepted. No credit or debit cards.

Gratuities are graciously accepted and the monies are used to help support the Renegade Room Foundation

The staff and students of the Food and Nutrition Program and the Renegade Room at Bakersfield College would like to thank you for your continued support. Please remember that this is a classroom laboratory where students' performance will progressively improve as the semester proceeds. Your constructive criticism is welcome and a part of their learning experience. The class session ends at 7:15 pm, therefore your departure from the dining room no later than 7:35 is appreciated and allows students to perform their end of class activities in a timely manner. Thank You
