   ____________________________________________
   ____________________________________________
   ____________________________________________

II. QUESTION yourself about the chapter by turning the major subheadings that you
    when developing your questions.

1. ____________________________________________
2. ____________________________________________
3. ____________________________________________
4. ____________________________________________
5. ____________________________________________
6. ____________________________________________
7. ____________________________________________
8. ____________________________________________
9. ____________________________________________
10. ____________________________________________
III. READ one major subheading section of the chapter at a time and then RECITE the answer(s) to the questions you asked for each major subheading in section II.

A. Answer question 1 from section II, using one or two sentences.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

B. Answer question 2 from section II, using one or two sentences.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

C. Answer question 3 from section II, using one or two sentences.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

D. Answer question 4 from section II, using one or two sentences.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

E. Answer question 5 from section II, using one or two sentences.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
F. Answer question 6 from section II, using one or two sentences.

G. Answer question 7 from section II, using one or two sentences.

H. Answer question 8 from section II, using one or two sentences.

I. Answer question 9 from section II, using one or two sentences.

IV. REVIEW the entire chapter by going back through it and outlining the main points. Your main points come from the headings, main ideas, and key words.

A. 
1. 
2. 
3. 
4. 

B. 
1. 
2. 
3. 
4. 

C. 
1. 
2. 
3. 
4. 

D. 
1. 
2. 
3. 
4. 

E. 
1. 
2. 
3. 
4.
