Athletics (661) 395-4266
The Bakersfield College Athletics program started in 1922 and is known for its quality, its success and the sportsmanship of its students. Over the years former Renegade student athletes, coaches and staff have returned to support the Bakersfield College Athletics program. Community support also plays an important role and is demonstrated by attendance at sporting events and by contributions from the community. This sense of Renegade pride and loyalty contribute to the strong foundation of today's athletic program.

Bakersfield College has over 300 Renegade student athletes annually. There are nine women's sports which include basketball, cross country, golf, soccer, softball, swimming, tennis, track and field and volleyball. There are also nine men's sports which include baseball, basketball, cross country, football, golf, swimming, tennis, track and field and wrestling. Collectively these programs have accumulated 168 Conference Championships, 13 State Championships, and 10 National Championships.

Bakersfield College is a member of the Western State Conference and is governed by the California Community College Athletic Association. Bakersfield College student athletes are supported by a dedicated coaching staff, certified trainers, equipment personnel, and an athletic educational advisor. Every effort is made to ensure compliance with the regulations of the Western State Conference, the CCCAA and the NCAA.

Renegade student athletes are privileged to compete on the grounds of one of the premier community colleges in the nation. Memorial Stadium is arguably the most recognizable and note-worthy venue in all of community college sports. This iconic and historic facility is home to the Renegade football team, as well as the track and field teams. National championship teams and world records are the hallmarks of Memorial Stadium.

The newly refurbished Dean and Adah Gay Sports Complex is home to the Renegade baseball and softball teams. This amazing facility is the standard bearer for the diamond sport in California and was home to the 2012 California State Final Four tournaments for both sports. The volleyball, wrestling and basketball teams all compete in the Gil Bishop Sports Center, an expansive, two-tiered gymnasium with a sky box and adjacent dance studios. This facility is in the process of being completely refurbished, with the lower walls and main floor already completed.

The philosophy of the Bakersfield College Athletics Program mirrors a code of conduct that exemplifies hard work, commitment and accountability—to act like a winner on and off the fields and courts of play. Sportsmanship, as well as achieving their potential as productive members of the community is expected of all Bakersfield College student athletes.

As the Bakersfield College Athletics Department celebrates 90 years, we strive to continually build on the great tradition of The Renegade Legacy.
